

*Application Serial No. 10/727,316**PATENT***REMARKS**

In the Final Office Action dated May 10, 2005, the Examiner rejected Claims 27 and 28, objected Claims 29-33 and indicated that Claims 8-21 and 24-26 were allowed. Applicant respectfully requests entry of the foregoing amendments pursuant to 37 C.F.R. §116(b) for the reason that they place the application in condition for allowance.

There were 2 claims numbered "32" in the prior amendment. The second claim 32 has been renumbered as claim "33" and claim 33 has been renumbered as claim "34."

Claims 30, 31, 33 and 34 have been rewritten in independent form. Therefore, claims 30-34 should be allowable.

Claim 27 has been amended to incorporate the limitations of claim 28 and to claim positively an accessory with a clip. Claim 28 was rejected because a clip for an accessory was not positively recited. In view of the positive recitation of a clip in claim 27, it is submitted that claims 27 and 29, which has been amended to depend from claim 27, should now be allowable.

PATENT

CONCLUSION

Applicant respectfully requests allowance of the application in view of the foregoing amendments. Please telephone the undersigned representative should he be of any assistance in connection with the reconsideration.

Applicant submits a Petition for 2 Month Extension of Time. Please charge Deposit Account 13-4900 in the amount of \$225.00 for payment of the extension fee.

By amendments to the claims, the application now contains 24 total claims with 7 claims being independent for an additional fee due of \$200.00. Please charge Deposit Account 13-4900 in the amount of \$200.00 for payment of the additional independent claims.

In the event that any fees have been overlooked with respect to the filing of this paper, the Commissioner is hereby authorized to charged Deposit Account No. 13-4900 of Munsch Hardt Kopf & Harr, P.C., referencing Attorney Docket No. 6650.5-1.

Respectfully submitted,

Marc A. Hubbard
